

Gabriella Kazinczi, DSc

university professor
herbologist
engineer of horticulture

Department of Plant Protection
Institute of Plant Protection

Availability

E-mail: kazinczi.gabriella@uni-mate.hu
Tel.: +36 83 545 100/5328 ext.

Georgikon Campus „A” building, ground floor, room 26.

Address

Department of Plant Protection
Georgikon Campus
H- 8360 Keszthely
Deák F. str. 16.

Mail address

Hungarian University of Agriculture and Life Sciences
Institute of Plant Protection
Department of Plant Protection
H-8360 Keszthely
Deák F. str. 16.

Subjectsin BSc training:

Weed management technologies
Biology and ecology of weeds

in five years of agricultural engineer training:

Weed control, integrated plant protection
Biology and ecology of weeds

in MSc training:

Herbology
Weeds of cultivated plants and weed control
Epidemiology of diseases, outbreaks of pests and weed invasions
Herbology, weed biology, weed knowledge (in english)
Weed management (in english)
Biological and ecological plant protection (in english)

in professional training of plant protection engineers:

Biological and ecological plant protection
Weed control and weed management

in PhD training:

Integrated weed management
Pest control in vegetable crops
Weed biology and ecology

Research field

Herbology

Main research topics

Biology and ecology of weeds and development effective protection technologies against them
Monitoring of invasive alien weed species
Weed - virus relations
